Presented by: Ginger Katz
CEO/Co-Founder of the Courage to Speak® Foundation
and Author of Sunny’s Story
and Larry Katz
Co-Founder of the Courage to Speak® Foundation,
MS in Nutrition & BS in Psychology

“My son Ian died of a drug overdose. If this can happen to him, it could happen to
anyone. September 10, 1996 I awoke to every mother’s nightmare... I found my 20
year old son Ian dead in his bed on an accidental heroine and valium overdose."

“Ian started using tobacco and marijuana in the eighth grade. He was in denial
about the problem, minimizing it as so many young people do.”

Ginger Katz
