A Parent's Role is Critical in Drug Prevention

The Courage to Speak Foundation, Inc., www.couragetospeak.org is dedicated to fulfilling its mission of "saving lives by empowering youth to be drug free." The organization was founded in 1996, shortly after Ginger and Larry Katz lost their son, Ian, following a long progression of substance abuse which led to a heroin overdose. Since then, The Courage to Speak Foundation, Inc. has been dedicated to fulfilling a promise Ginger Katz made to Ian: to do everything in her power to **prevent this tragedy from happening to another family**.
