The Courage to Speak Foundation, Inc. was founded by Ginger Katz in an effort to foster open communication about the prevention of alcohol and other drug abuse among young people. Ginger has been inspired to speak out by the untimely death of her son Ian from a drug overdose. Since 1996, she has given over 1,000 presentations nationally to hundreds of thousands of parents and their children.

This event is funded in whole from the United States Department of Health and Human Services' (HHS) Substance Abuse and Mental Health Services Administration (SAMHSA) through the CT Department of Mental Health and Addiction Services. (DMHAS).
